Stanly County Center

Many years ago, Coltrane LIFE Center began exploring the possibility of opening a satellite center in Stanly County. We purchased a former childcare facility in Albemarle to renovate for adult day health care services and hired a full-time coordinator to work with our committee to make this dream become a reality. Coltrane LIFE Center recently decided to help the Stanly County program become a stand-alone center operating independently from Coltrane LIFE Center with its own local Board of Directors and nonprofit status. This new program is named Stanly Adult Care Center, Inc. We wish this Center well and look forward to its future opening. For more information, contact Sandy Carelock at 704-984-0331 or sandy.carelock@stanlyadultcarecenter.org.
